## **Bettors Law Firm PLLC celebrates relaunch of title and settlement services**

**New affiliated company combines solid industry experience with fresh ideas.**

Houston, Texas –Ahead of the vaunted National Settlement Services Summit starting September 1, 2020, Bettors Law Firm today announced the relaunch of its title and settlement services through its affiliate, BETTERS TITLE AND SETTLEMENT SERVICES LLC (“BTS”). The companies said the move provides an opportunity to offer settlement services in addition to its highly successful document preparation services.

“We are beyond excited to offer clients new services, with the same attention and care that they have come to expect from us,” Attorney Nicole Bettors said. “We are particularly excited to provide attorney closings, because that’s a need we hear from clients time and time again.”

“Our customers can rely on us to answer their call anytime, answer any questions that may arise, and be ready to assist whenever, wherever we can,” BTS Manager of Title and Settlement Operations, Stacey McCullough said. The industry veteran continued, “Our customers know that they can rely on us to treat their staff and customers with respect. They have a reliable partner in BTS.”
